Privacy Policy

The website does not automatically collect users' personal data, except for information in cookiefiles saved by external websites: Google Analytics, Google Search Console, CloudflareTurnstile and Advertisement services. Please read the details of Google's privacy policy athttps://policies.google.com/privacy.

Google Analytics

The website uses Google Analytics, an analytical tool that saves cookies in the user's browserand collects information about the number of visits to the website, the duration of the sessionand the user's location.

Google Search Console

The website uses Google Search Console for statistical purposes, monitoring website traffic,identifying errors in the code and positioning the website in search engines.

Cloudflare Turnstile

The website uses Cloudflare Turnstile security to prevent the use of its resources by varioustypes of internet bots. Cloudflare Turnstile collects users' personal data to determine whetherthey are dealing with a human being.

Sensitive Content

Our website contains sensitive content and we have implemented an age requirement notice toensure the privacy and security of our users. Users must be over 18 years old (or the legal ageof adulthood in their jurisdiction, if higher) to view this website.

Copyrights

Images generated by users in app are inherently copyrighted to the creators. This means that the individuals who generate and contribute these images retain the exclusive rights to their creations, including the ability to reproduce, distribute, and display their work. As a platform, we respect and acknowledge our users' copyright ownership, ensuring that their creative efforts are protected and that they have full control over the use and dissemination of their generated content.
